TENDERS.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Indian Supplies," will be received at this office up to noon of SATURDAY, 9th May, 1891, for the delivery of Indian Supplies, during the fiscal year ending 30th June, 1892, consisting of Flour, Beef, Bacon, Groceries, Ammunition, Twine, Agricultural Implements, Tools, &c., duty paid, at various points in Manitoba and the North West Territories.

Forms of tender containing full particulars relative to the Supplies required, dates of delivery, &c., may be had by applying to the undersigned, or to the Indian Commissioner at Regina, or to the Indian Office, Winnipeg.

Parties may tender for each description of goods (or for any portion of each description of goods) separately or for all the goods called for in the Schedules, and the Department reserves to itself the right to reject the whole or any part of a tender. Each tender must be accompanied by an accepted Cheque in favor of the Superintendent General of Indian Affairs, on a Canadian Bank, for at least five per cent of the amount of the tender, which will be forfeited if the party tendering declines to enter into a contract based on such tender when called upon to do so, or if it fails to complete the work contracted for. If the tender is not accepted, the cheque will be returned, and if a contract be entered into for a part only of the supplies tendered, the contract security cheque will be retained by the Department until the end of the fiscal year.

Each tender must, in addition to the signature of the tenderer, be signed by two sureties acceptable to the Department for the proper performance of the contract based on such tender. This advertisement is not to be inserted by any newspaper without the authority of the Queen's Printer, and no claim for payment by any newspaper not having had such authority will be admitted.

L. VANKOUGHNEY,

Department of Indian Affairs.

Ottawa, March, 1891.

CHURCH CIRCLES.

On Monday evening last the annual meeting of the Prince Albert Cricket Club was held at "The Club," when a large number of those interested in the good old game responded to the invitation of the Secretary, and a most successful meeting took place. Mr. Neely occupied the chair. The reading of the financial statement showed the affairs of the club to be in a highly satisfactory condition, after which the election of officers for the current year took place when the following gentlemen were elected:—President, D. H. Macdowall, M.P.; Vice Presidents, G. D. Northgates and J. F. Betts, M.L.A.; Sec., Treasurer, A. Agnew; Executive Committee—Messrs. Hearn, Starforth, Way, Parker and Clarke; Field Captain, L. J. Clarke. The handsome medal presented by Mr. T. E. Parker for the best bowling record of last season—and won by A. Agnew—was presented to that gentleman. Mr. L. J. Clarke announced that Mayor Johnson would offer a medal for competition this year, the disposal of the medal to be left in the hands of the executive committee; also that he (Mr. Clarke) would give a medal on the same conditions, so that this season it is probable a prize will be given for best bowling and batting record. Practice will be commenced as soon as the grounds can be put in order.

SCHOOL BOARD.

A short meeting of the School Board was held on Friday evening last in the secretary's office.
Present—J. Macarthur, chairman; Messrs. Davis, Jardine, Gunn and Maveety.
The minutes of previous meeting were read and adopted, after which J. D. Maveety presented his declaration and certificate from the returning officer, which were received and filed.

The usual routine business was then got through with, nothing of an important character coming before the Board. Mr. D. J. Gunn, visiting trustee for last month, made a verbal report of his visits during the month, which was generally satisfactory. On motion, it was decided to ask the builders of the town for plans, etc., for an addition to the present school building, the plan accepted to be paid for. There being a number of first-class mechanics in the town, we have no doubt, quite a few good plans will be offered, which we hope to see done at once without further notice.

The Board then adjourned.

Failure Explained.

CANADA'S TREATY DELEGATES RETURN TO OTTAWA.

Ottawa, April 9.—Sir John Thompson and Hon. Geo. E. Foster with Chipman, private secretary to Tupper, and Johnson, Dominion statistician, arrived here early this morning from Washington. Your correspondent called on Thompson in his office this forenoon. He made the following statement: "The Associated Press despatch which gave our reception with Blaine was substantially correct. The telegram which had come from Washington to Ottawa when Sir Charles was on his way to Ottawa was that possibly negotiations might have to be postponed, but Blaine would advise Sir Julian later in the day. He (Blaine) did not communicate until the evening of that day definitely with the British Minister that negotiations would have to stand and by that time we were well on our way to New York. Blaine received us with the utmost courtesy and kindness and expressed his regret not to be able to enter immediately on a discussion of the business on hand. He explained that the President was making preparations for his departure to the Pacific coast and would greatly prefer being in Washington while negotiations with Canada were going on. Blaine explained that the President suggested that such postponement could not result in any eventual delay as any arrangement arrived at would have to be ratified by the Senate in December. Blaine assured the delegates that a date would be arranged to suit Canada for taking up the negotiations."—Winnipeg Free Press.

WEDDING BELLS.

On Wednesday evening last, a large number of people attended the Presbyterian church, the occasion being the marriage of C. R. Stovel to Miss McKenzie. Punctually at eight o'clock the bridal party arrived, the bride, who was charmingly dressed, being attended by her bridesmaids Miss Wheeler, Miss McTaggart, Miss J. and Miss A. McTaggart, while the bridegroom was supported by Mr. James McKay and Mr. Geo. Baker. The ceremony was performed by the Rev. Mr. Rochester, and at its completion, the bridal party returned to Fairview, the residence of Mr. and Mrs. McTaggart, where they were followed by their friends, who hastened to congratulate the happy pair. The presents were numerous and extremely handsome, and testify to the high esteem with which both bride and bridegroom are regarded. A sumptuous repast was provided for the guests, at which the usual toasts were proposed and enthusiastically received, a very pleasant evening being spent by all. THE TIMES begs to join in wishing the newly married couple many years of happy and useful life together.

TOWN COUNCIL

An adjourned meeting of the Council was held on Monday evening last.

Mayor Johnson in the chair.

Present—Couns. Donaldson, McLellan, Montgomery, Baker and Congdon.

After the minutes were read and adopted a number of communications were read—D. Henderson, offering free notice grounds to the town. Accepted.

Mr. Stull, Returning Officer, for By-law to raise \$7,000 by the issue of debentures declared the same carried.

Mr. Macarthur petitioned on behalf of the Presbyterian church that the town take over the cemetery, and make it a public burying ground.

Donaldson—Congdon—That Couns. Baker, McLellan, Mayor Johnson and the mover be a committee to report upon the petition of Mr. Macarthur re cemetery. Carried.

A by law re solicitor's salary, and a by law to authorize the Mayor and Treasurer to borrow money were introduced and read a first and second time.

The Council adjourned on Monday, 20th inst.

Census Commissioner Fish has gone to Battleford for the purpose of instructing enumerators for that part of his territory.

Coun. Congdon is hard at work plastering and otherwise repairing Mr. Justice McGuire's residence recently damaged by fire.

Voting on the by-law to raise some \$7,000 for street improvements took place on Saturday last. It was carried by a large majority.

T. E. Jackson has on hand this season a large assortment of all kinds of Flower and Garden Seeds of the choicest varieties. Fresh and good.

On the evening of April 23rd, St. George's Day, the sons of old Allion intend celebrating the occasion with a dinner at the Queen's Hotel.

Geo. T. Brown intends building a store on the west side of the building now occupied by himself. Messrs. Hurd & Nelson will have the contract.

Prairie fires are burning in all directions at present. Now is the proper time for operation of this kind, as the chances for doing damage are of the smallest kind.

H. J. Montgomery, auctioneer, will hold a sale of valuable villa building lots on the 23rd inst. The terms of sale are very liberal for parties wishing to invest.

E. X. L. Coffee and Y. H. Tea is the best in the market, you will find it at F. C. Baker's.

The Ven. Archdeacon John A. McKay, D.D., will (D. V.) preach a special sermon on Temperance in St. Alban's church on Sunday morning, the 19th inst. The public are cordially invited to attend. The seats are free to all.

A meeting of those interested in the formation of a St. George's Society in the town will be held over the Woodbine Saloon on Friday evening next at 7:30 o'clock. Meetings will also be held on Saturday and Monday evenings next at the Queen's for the same object.

Early on Monday morning a quiet wedding took place in the Roman Catholic church, the parties interested being Mr. A. Strachan, Merchant tailor, and Miss Maxwell, the lady photographer of our town. The happy pair left on a wedding trip by the 7 a.m. train. We wish them all happiness and prosperity.

W. Heffernan, the popular representative of James O'Brien & Co., wholesale clothiers of Winnipeg, spent last week in town in the interests of his firm. Notwithstanding the dull season, "Billy," as the boy is familiarly known amongst his host of friends, succeeded in doing a fair business amongst our business men. Mr. Heffernan left for the coast on Monday morning's train, and will return here later on. We wish him a most successful trip.

A look through F. C. Baker's store will convince anyone that he has the Goods and the prices to suit the times.

We have great pleasure in noticing that this week J. Macarthur, the sheep king of this district, disposed of and shipped a car load of sheep from his Colleton band for the Winnipeg market. The price realized was good, and well repaid Mr. Macarthur for his trouble and enterprise. We have often wondered and asked why more of our farmers have not gone into this profitable and easily handled industry.

A complete assortment of Goods has just been received by F. C. Baker.

The Royal Templars will hereafter hold their meetings on Tuesday evening instead of Wednesday as formerly.

Green Apples by the barrel, also a fresh lot of Groceries at R. T. Goodfellow's.

The joiner work on Sproat & McLeod's extension has been completed, and plastering and painting operations are now going on.

Ducks and geese are already on the wing, but are very shy. Some of our local sportsmen have been trying their luck, but with indifferent success.

A post office will shortly be opened in the neighborhood of Vanlueven's grist mill. This will be a great convenience to the many residents in that locality.

Our old townsman Mr. J. Germond, who now resides at the south branch, informs us that the ice on that branch of the river took its departure on Sunday last.

Mr. Montgomery is to-day holding an auction sale of farm stock, implements, etc., at the Knowle's ranch. As it is a credit sale, we have no doubt good prices will be realized.

The ice in front of the town is in a very shaly condition. Travel over it has stopped, and it is expected by those who claim to know that it will take its farewell trip about Sunday next.

In another column will be found an advertisement asking for tenders for the delivery of Indian supplies during the fiscal year ending June 30, 1892, at various points in Manitoba and the Territories.

At a meeting of the congregation of St. Paul's Presbyterian church last evening, it was decided to go on with the erection of a new brick church building as soon as arrangements for so doing can be completed.

Owing to press of business on the main line, yesterday evening's train was six hours late leaving Regina for Prince Albert. "Charlie" humped her through pretty lively, getting here at two o'clock this morning.

A despatch received in Ottawa from Sir Julian Pauncefote states that Mr. Blaine had fixed Monday, October 12th, as the date for commencing negotiations between the United States and Canada on the reciprocity question.

A couple of days ago Mr. Acorn, of the creek, had a hard fight to save his dwelling and buildings from a prairie fire which was let away in that neighborhood. Mr. G. Nelson lost a valuable stack of first class hay by the same fire.

W. Fawcett, who went out to his farm across the south branch some ten days ago, arrived there in time to see the buildings on his farm in flames. We regret to say he was unable to save anything connected with them. The conflagration occurred from prairie fires in that locality.

\$750 in gold. It is not too late to enter the Dominion Illustrated prize competition in which at the end of the current six months prizes to the value of over \$3,000 will be distributed. The first prize is \$750 in gold and the list includes a Heintzman piano, Bell, Kama and Corwall organ, gold watches and other valuable articles—100 in all. The smallest is valued at \$5. The competition consists in finding in current numbers of the journal the answers to thirty-six questions, six of which are published each month. For sample copy and full particulars send 12 cents in stamps to the publishers, the Sabiston Litho. & Pub. Co., Montreal.

EXPLANATION WANTED.

To the Editor of the Times.

SIR,—Some time ago the Saskatchewan, under the heading of "The Tory Plan of Campaign," made the serious statement that certain deputy returning officers were instructed not to administer oaths to persons holding certificates from other polling divisions. I would, therefore, through your columns, ask the Saskatchewan to give the names of the deputy returning officers who were so instructed, and the name of the person who instructed them.
